

BUNN®

BX Classic Home Coffee Brewer

Model BX

Features

10-Cup Home Coffee Brewer

The first commercial style brewer for the home. Faster brewing means better flavor and having more time to enjoy it.

- Classic design with stainless steel accents
- Convenient close-and-brew lid
- Brews 10 cups of perfect coffee in 3 minutes
- Produces exceptional, café quality coffee
- Stainless steel tank holds ready-to-brew hot water
- Internal thermostat keeps water at ideal brewing temperature
- Patented sprayhead design improves coffee flavor extraction
- Lighted On/Off switch shows warming plate has power
- Porcelain-coated warming plate for easy clean-up
- Vacation switch turns tank heat off
- Decanter holds 50 ounces (10 cups)
- High altitude models available
- Colors: Black or White
