

BUNN®

NHBX Generation Home Coffee Brewer

Model NHBX

Features

10-Cup Home Brewer

A sleeker look with a lower profile and the same fast, commercial style coffee brewing for home. Brew the great-tasting coffee you love simply, quickly and consistently.

- Elegant, upscale design compliments contemporary decor
- Convenient sliding lid for easy addition of brew water
- Brews 10 cups of perfect coffee in 3 minutes
- Produces exceptional, café quality coffee
- Stainless steel tank holds ready-to-brew hot water
- Internal thermostat keeps water at ideal brewing temperature
- Patented sprayhead design improves coffee flavor extraction
- Lighted On/Off switch shows warming plate has power
- Porcelain-coated warming plate for easy clean-up
- Vacation switch turns tank heat off
- Decanter holds 50 ounces (10 cups)
- Colors: Black or White, both with stainless accents
